Alan Vega. Suicide. Ghost rider. Ghost rider.
Ghost rider, motorcycle hero.
Ghost rider, motorcycle hero.
Baby, baby, baby, baby, he's blazing away!
Like the star, star, stars in the universe, yeah.
Baby, baby, baby, he's looking so cute, yeah!
Riding around in a blue jumpsuit, yeah.
Baby, baby, baby, baby, he's screaming the truth!
America is killing it's youth.
I see them trying, dying, choking, drowning, going
down, going down.
I see you dying, dying.
Oh. You don't wanna break apart Ghost rider's heart.
He's riding through your town with his head on fire.
He's riding through your town with his head on fire.
Halo burning. Eyes are crying. Halo burning. Eyes are
crying.
Ghost rider, Ghost rider, Ghost rider, Ghost rider keep
riding.
Never stop riding.
Hey, hey, don't forget to burn, don't forget to burn.
Burn with fire. With fire, fire, fire, fire!
With fire! Yeah!
