Inhale resolve  
Exhale ambition  
Inhale all need  
Exhale all I want  
Inhale love of life  
Exhale fear of death  
Inhale power  
Exhale force

I have all I need  
I can't live without  
I have all I need  
I can't live without

Inhale tolerance  
Exhale judgment  
Inhale what I am  
Exhale what I think I am

I have all I need  
I can't live without  
I have all I need  
I can't live without  
Don't hold me down  
Don't hold me down  
Don't hold me down  
Inhale fact  
Exhale assumption  
Inhale what I want to be  
Exhale how I want to be seen

Don't hold me down  
Don't hold me down  
Don't hold me down

I have all I need  
I can't live without  
I have all I need  
I can't live without

I have all I need  
I can't live without

I have all I need  
I can't live without

Can't live without  
I can't live without  
I can't live without  
I can't live without
