I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

I hate you

I want you

But I hate you

I want you

But I hate you

But I hate you

I hate you

But I want you

I want you

I hate you

Put your hands on me

Put your mouth on me

I want you

I hate you

Touch me, I hate you

Cut me, I want you

Touch me, make me real

I want you, I want you, I want you

I hate you, I hate you, I hate you
I hate you, but I want you
I hate you, I hate you, I hate you, I hate you, I hate you
I don't want you because I hate you, I hate you
Because I want you
I want you
I want you
I hate you
I want you
I want you
I want you
I hate you
I want you
I hate you
I want you
I want you
I want you
But I hate you
I want you, but I hate you
