what's hard to an alien man?
well you never know what's real
just a card
in someones deck you get dealt and that's the deal
what's the matter man?
is the time not right?
what's the matter man?
are you wrapped too tight?
what's the matter man?
is the feeling gone?
what's the matter?

what's the matter man?
what's the matter with you?
what's the matter man?
what's the matter with you?

hooked up to a million tubes
addicted to anothers dream
so many ways to pay and pay
without ever getting what you need
I'm not adverse to being alone
if it means I get to keep my mind
I'm not adverse to losing it all
if I get to leave it all behind

what's the matter man?
is the time not right?
what's the matter man?
are you wrapped too tight?
what's the matter man?
is the feeling gone?
what's the matter?

what's the matter man?
what's the matter with you?
what's the matter man?
what's the matter with you?

what's the matter man?
what's the matter with you?
what's the matter man?

what's the matter with you?

don't stray or now you're gonna pay
or now you're gonna pay
or now you're gonna pay and pay and pay

what's the matter man?
is the time not right?
what's the matter man?
are you wrapped too tight?
what's the matter man?
is the feeling gone?
what's the matter?

what's the matter man?
what's the matter with you?
what's the matter man?
what's the matter with you?
