What's hard to an alien man?
Well you never know what's real
Just a card in someones deck
You get dealt and that's the deal

What's the matter, man?
Is the time not right?
What's the matter, man?
Are you wrapped too tight?
What's the matter, man?
Is the feelin' gone?
What's the matter?

What's the matter, man?
What's the matter with you?
What's the matter, man?
What's the matter with you?

Hooked up to a million tubes
Addicted to another's dream
So many ways to pay and pay
Without ever gettin' what you need

I'm not adverse to bein' alone
If it means I get to keep my mind
I'm not adverse to losin' it all
If I get to leave it all behind

What's the matter, man?
Is the time not right?
What's the matter, man?
Are you wrapped too tight?
What's the matter, man?
Is the feelin' gone?
What's the matter?

What's the matter, man?
What's the matter with you?
What's the matter, man?
What's the matter with you?
Hey

What's the matter, man?
What's the matter with you?
What's the matter, man?
What's the matter with you?

Don't stray or now you're gonna pay
Or now you're gonna pay
Or now you're gonna pay and pay and pay

What's the matter, man?
Is the time not right?
What's the matter, man?
Are you wrapped too tight?
What's the matter, man?
Is the feelin' gone?
What's the matter?

What's the matter, man?
What's the matter with you?
What's the matter, man?
What's the matter with you?
