With a pinch of rock and a dose of roll I can warm you up if you get too cold I can bring you up when you're going down I can smash your head all over this town

> You gave me the answer Now I got the answer, oh yeah

Cause we're the queens of noise Come and get it boys Queens of noise Not just one of your toys Queens of noise

I remember you at our second show You were holding on and you wouldn't let go And I bet you'll always be that way Whenever you see us start to play

> You gave me the answer Now I got the answer, oh yeah

Cause we're the queens of noise Come and get it boys Queens of noise Not just one of your toys Queens of noise
