Kristina, Ulrika, Elin & Fina-Kajsa  
Who'd have thought such men existed?  
Does the housework unassisted  
Sweeps the floor and does the dishes  
And his coffee is delicious  
How he's worked, how he's persisted  
Who'd have thought such men existed?  
In this vast amazing land  
(To Jackson)  
You give hope and comfort and shelter  
You give all you can  
American man!

Jackson

There was never a woman who gave me a glance

Kristina, Ulrika, Elin & Fina-Kajsa  
(not understanding a word he's saying)  
He has clean sheets, y'know, on his bed

Jackson

No, I never dreamed of getting this attention

Kristina, Ulrika, Elin & Fina-Kajsa  
Bet you he bakes his bread

Jackson

Unbelievable! I think they're flirting with me

Kristina, Ulrika, Elin & Fina-Kajsa  
Does he iron his shirts, can it be?

Jackson

I don't have a clue  
So should I just pretend that I don't see it?  
I don't know what to do

Please, tell me that I'm not mistaken  
Have to say I'm shaken!  
(Looking at Ulrika)  
She's so attractive  
Oh, I hardly dare to look

Kristina, Ulrika, Elin & Fina-Kajsa  
He can certainly cook!

Jackson  
To be wanting a wife

Ulrika  
Lives alone here, I'd say

Jackson  
To be sharing you life

Ulrika  
Guess he likes it that way

Kristina, Ulrika, Elin & Fina-Kajsa  
Who'd have thought such men existed?  
Such a man can't be resisted  
Not a moment does he squander  
Was there ever such a wonder  
Makes my eyes come up all misted  
Who'd have thought such men existed?  
In this vast amazing land  
(To Jackson)

You give hope and comfort and shelter  
You give all you can  
American man!

Jackson  
To be wanting a wife

Ulrika  
Not a sign of a spouse

Jackson  
To be sharing your life

Ulrika  
It's a bachelor's house

Kristina, Ulrika, Elin & Fina-Kajsa  
Who'd have thought such men existed?  
Does the housework unassisted  
Sweeps the floor and does the dishes  
And his coffee is delicious  
How he's worked, how he's persisted  
Who'd have thought such men existed?  
Doesn't fret or make a fuss  
He's one of us  
For men and women here now  
So it would appear now  
They are equals in this land  
You give hope and comfort and shelter  
You give all you can  
American man  
  
Jackson  
Thank you God!
