Well I was down at the Zig Zag
That's the Zig Zag Bar & Grill
And everybody was talking at once
and it was getting real shrill.
And I've been around the block
But I don't care I'm on a roll - I'm on a wild ride
Cause the moon is full and look out baby -
I'm at high tide.

I've got a beautiful red dress
And you'd look really good
standing beside it..
I've got some beautiful new red shoes
and they look so fine
I've got a hundred and five fever
and it's high tide.

Well just the other day I won the lottery
I mean lots of money
I got so excited I ran into my place and i said:
HEY! Is anybody home?
Nobody answered but I guess that's not too weird
Since I live alone.

I've got a beautiful red dress
And you'd look really good
standing beside it..
Girls?
We can take it And if we can't
we're gonna fake it
We're gonna save ourselves
We're gonna make it And if we don't
we're gonna take it
We're gonna save ourselves
Save ourselves

Well they say women shouldn't be
the president
Cause we go crazy from time to time
Well push my button baby here I come
Yeah look out baby

I'm at high tide

I've got a beautiful red dress
and you'd look really good
standing beside it..
I've got a little jug of red sangria wine
and we could take little sips
from time to time
I've got some bright red drop dead lips
I've got a little red card
and mechanical hips
I've got a hundred and five fever!!!

OK! OK! Hold it!
I just want to say something.
You know, for every dollar a man makes
a woman makes 63 cents.
Now, fifty years ago that was 62 cents.
So, with that kind of luck, it'll be the year 3,888
before we make a buck. But hey, girls?

We can take it And if we can't
we're gonna fake it
We're gonna save ourselves
save ourselves
(Yeah tell it to the judge)
We're gonna make it And if we don't
we're gonna take it
We're gonna save ourselves
save ourselves
We've got a fever of a hundred and five
and look baby
It's high tide.

Well I could just go on and on and on...
But tonight
I've got a headache
