Coolsville Coolsville
So perfect So nice

Hey little darlin,
I'm comin your way little darlin
And I'll be there Just as soon as I'm
all straightened out
Yeah just as soon as I'm
perfect.

Some things are just pictures
They're scenes before your eyes
And don't look now I'm right behind you
Coolsville Coolsville
So perfect So nice
So nice!

And down by the ocean
under the boardwalk
You were so handsome we didn't talk
You're my ideal I'm gonna find you
I'm goin to Coolsville
So perfect So ideal

This train This city This train

Some things are just pictures
They're scenes before your eyes
And don't look now I'm right behind you
Coolsville

She said:
Oh Jesus, why are you always
in the arms of somebody else?
He said:
Oh man! I don't need anybody's help
I'm gonna get there on my own.

This train This city This train This city
