In our sleep as we speak
Listen to the drums beat
As we speak
In our sleep as we speak
Listen to the drums beat
In our sleep
In our sleep as we speak
Listen to the drums beat
As we speak
As we speak in our sleep
Listen to the drums beat
In our sleep
In our sleep as we speak
Listen to the drums beat
As we speak
In our sleep as we speak
Listen to the drums beat
In our sleep
In our sleep where we meet
In our sleep where we meet
