"Night In Baghdad"

And oh it's so beautiful
It's like the Fourth of July
It's like a Christmas tree
It's like the fireflies on a summer night.

And I wish I could describe this to you better.
But I can't talk very well now
Cause I've got this damned gas mask on.
So I'm just going to stick this microphone out the
window
And see if we can hear a little better. Hello California?
What's the weather like out there now?

And I only have one question: Did you ever really love
me?
Only when we danced. And it was so beautiful.
It was like the Fourth of July.
It was like fireflies on a summer night
