Ey, ey, life is a game  
Ey, ey, we're all born to play  
Ey, ey, twisted is the way  
Sometimes it is not right, sometimes it's not fair

Ey, ey, the journey of life  
Ey, ey, gets harder in times  
Ey, ey, twisted is the way  
You know how it feels to smile through the pain

But today is your day  
This is the moment when you're touching the sky  
On the top of your wave  
No one can stop you from flying so high

This is it, it's your time  
You got a magic when your stars are aligned  
Fill world with your shine  
Life is a game that you're winning tonight

Ey, ey, wolves in the way  
Ey, ey, hunting their prey  
Ey, ey, bitter is the rain.  
Sneaking in the shadows they always remain

Ey, ey, life is a maze  
Ey, ey, sometimes full of haze  
Ey, ey bitter is the rain  
You know how it feels when your hopes go astray

But today is your day  
This is the moment when you're touching the sky  
On the top of your wave  
No one can stop you from flying so high

This is it, it's your time

You got a magic when your stars are aligned  
Fill world with your shine  
Life is a game that you're winning tonight

But today is your day  
This is the moment when you're touching the sky  
On the top of your wave  
No one can stop you from flying so high

This is it, it's your time  
You got a magic when your stars are aligned  
Fill world with your shine  
Life is a game that you're winning tonight

Ey, ey, life is a game
