

Romanovsky And Phillips "Give Me A Homosexual"

Visit "[Give Me A Homosexual](#)" on MotoLyrics.com

(For all the straight men who think that every gay man is out to seduce them, and for those gay men who indeed are.)
With so many gay men and so little time
It never has been an obsession of mine
To try and pursue heterosexual men
The ones who are real or the ones who pretend
That kind of facade's not attractive to me
I like my lovers as queer as can be
Give me a homosexual
Who loves in a homoemotional way
I like a man of acceptance
Give me a guy who is glad to be gay
Now to some of my peers its the ultimate thrill
Seducing a straight man by bending his will
But I am a man who loves men who love men
And that is of course what I most recommend
While I'm sure there are men who just need some unstraightening
I haven't the patience to be educating
Give me a homosexual
One who's perfected his oral technique
I like a man who's had practice
Give me a guy who is fluent in Greek
And I don't understand all those classified ads
Filled with desires that I've never had
"Straight-looking Marine seeks straight cop to please..."
How straight do they look when they're down on their knees?
It's a taste that I've never been able to savor
This preoccupation with sexist behavior
And people will ask us "Which one's the girl?"
'Cause they limit themselves to those roles in their world
But we don't have any such models to clone
We're perfectly free to develop our own
Give me a homosexual
I don't want a husband and I don't want a wife
I like a man who's my equal
Someone who's made it the style of his life
Give me a homosexual
Who loves in a homoemotional way

I like a man of acceptance
Give me a guy who is glad to be gay
