[Verse one]

They say
I'm better off any other way
That I should let you go with yesterday
Oh, but darlin' it's the same thing
What am I to do
When I'm lying here
Crying over you
Sometimes we win sometimes we lose
Oh, this game can be so cruel

[Chorus]

Oh, oh, oh, oh
Baby I'm losing all control
My heart's in overload because of you
(2x)

[Verse two]

Oh I, I dream of you
Every single night
How could I have not realized
They all tell me that you're doin' fine
I am such a fool
How I keep running after you
You ask me what I'm on
Oh, I'll tell you what I'm on

[Chorus]

Tell you what I'm on
Baby I'm losing all control
My heart's in overload because of you

[Bridge]

Oh, you know I feel so bad
My heart in love
Happened a little too late
Oh, I need you now
Why did I push you away
Oh, I need you now
Baby, please don't make me wait, wait,
Wait, wait

[Chorus]
