If I had a million pounds  
For every time you let me down  
I would be a wealthy man  
I could buy me everything  
But I'd still cry

And if I had a great big house  
For every time you let me down  
I would be a wealthy man  
For every time you broke my heart

Sorry, sorry  
You keep on telling me  
Sorry, sorry  
But baby now I know the story, story  
You keep on telling me sorry, sorry

And now I hate that I love...  
I hate that I love you  
I know you're unfaithful  
I know you're unfaithful  
Hate that I love...  
I hate that I love you  
Why can't I leave you?  
I hate that I love you

If I had another car  
For every time you broke my heart  
I would be a wealthy man  
And I could buy me everything  
But I'd still cry

And if I had a dollar bill  
To pay for my career  
I would be a wealthy man  
For every time you broke my heart

Someday I'm gonna walk out on you, girl  
Someday you're gonna miss my love, girl
