The clouds are dark  
Won't go away  
I need some light  
On this rainy day  
The falling rain  
Releasing drops  
Drops of pain  
That won't go away

Can't stop the rain  
Can't stop the rain  
Can't stop the rain  
I am sick and tired of playing this silly game  
I can't stop the rain

I hear the storm  
Coming close to me  
I know it's here  
Oh, don't you see  
I'm stuck in the rain  
I need to leave  
But I gotta stay  
For a symphony

Can't stop the rain  
Can't stop the rain  
Can't stop the rain  
I am sick and tired of playing this silly game  
I can't stop the rain

Can't stop the rain  
Can't stop the rain  
Can't stop the rain

Because I cannot change the weather  
I need a place to find some shelter

I know the sun will shine on me again

I can't stop the rain  
Ah-Ahh Ah-Ahh Ahh
