Loneliness is a pow'r that we possess to give or take
away forever.
All I know can be shown by your acceptance of the fact
there shown before you.
Take what I say in a diff'rent way and it's easy to see
that this is all confusion.
As I see a new day in me, I can also show if you and
you may follow.

Speak to me of summer, long winters longer than time
can remember,
Setting up of other roads, travel on in old accustomed
ways.
I still remember the talks by the water, the proud sons
and daughters that,
In the knowledge of the land, spoke to me in sweet
accustomed ways.
