So giving all the love you have
Never be afraid to show your heart
So giving all the love you have
There is a special reason
A special reason...

In the big dream
We are heroes
We are dreamers
Of the big dream

Someone told me
There are brothers
Live forever
In the big sky

Just hear your voice
Sing all the songs of the earth
Nothing can come between us
You're a brother of mine

Sing out your sisters
All the dreams of the world
Nothing can come between us
We are the travellers of time

See the desert
We have walked the path
Of all the known religions

In the big dream
We are brothers, we are sisters
Of the big dream

Just hear your voice
Sing all the songs of the earth
Nothing can come between us
You're a brother of mine

Sing out your sisters
All the dreams of the world

Nothing can come between us

Took me by surprise
It opened up my eyes
I can't believe we're ready to
Run another
Run another
Run another

Fourth Dimension Dream
All the way it seems
I can't believe we're running to
See the world for what it really is
In the full moon
