Left you at eight, came back at nine
'Cause you got love, it sure is fine

I said, "I wanna love you some more"
I said, "I wanna love you some more"
I said, "I wanna love you some more"
C'mon now and open up your door

[Incomprehensible] such a long long time
[Incomprehensible] stuck on mine

I said, "I wanna love you some more"
I said, "I wanna love you some more"
I said, "I wanna love you some more"
C'mon now and open up your door

I said I, I said I, I said I, I said I, I said I
I, I, I, I wanna love you some more

I'm all on fire, my love inside
Got a big desire and I can't hide

I said, "I, I wanna love you some more"
I said, "I, I wanna love you some more"
I said, "I, I wanna love you some more"
C'mon now and open up your door

I said I, I said I, I said I, I said I, I said I
I, I, I, I wanna love you some more

I wanna love you some more
I wanna love you some more
I, I wanna love you some more
I, I wanna love you some more
I, I wanna love you some more
I, I wanna love you some more

I said, "I, I wanna love you some more"
I said, "I, I wanna love you some more"
I said, "I, I wanna love you some more"
I said, "I, I wanna love you some more"

I said I, I, I, I, I said I, I, I, I, I said I, I, I, I
I said I, I, I, I, I said I
I wanna love you some more
I said, "I, I wanna love you some more"
I said, "I, I wanna love you some more"
