Uh, it's like that, y'all, it's like this, y'all
Uh, it's like that, y'all, it's like this, y'all
It's like that, y'all, it's like this, y'all
It's the R-to the O-to the M-to the E
Baby, don't you know I really like the way
We're makin' sweet love, baby
I don't care what they say, you're the one
The lover in my life, whoa...
I belong to you, babe
You belong to me
And I'm the one who serves you right
Each and ever day 'cause
Uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh
I wanna love you up and down, I wanna kiss your pretty
toes
I wanna make you lose control
I wanna love you in time-out, I wanna love you all
night
I wanna make you scream
I got your back (Don't worry)
Don't worry about the slack (Oh, no)
No one's gonna hurt my queen
'Cause you're my Boo
Uh, do it right there
Uh-uh, do it right there ('Cause I'll do it)
Uh-uh, do it right there
Uh-uh, do it right there ('Cause I got what you need,
babe)
Uh-uh, do it right there (Mmm, yeah, baby)
Uh-uh, do it right there
Uh-uh, do it right there (Oh...oh...oh...whoa...)
Uh-uh, do it right there
Uh
{Do it, do it}

{Go}
You're the diggity-diggity bomb
And every day and night I gotta get some
Can I rub your back, can I hold you tight
Can we do those things
Just wanna hold you, just wanna squeeze you
Just wanna do those things
Ooh, lady, it feels so good
What you do
Feel the groove
And I love
Love the way you're kissin' me, love the way you're
holdin' me
Love the way you're feelin' me, baby
Uh, do it right there
Uh-uh, do it right there
Uh
Love the way you're lovin' me, love the way you're
holdin' me
Love the what you do, lady
Uh, do it right there
Uh-uh, do it right there
Uh {Yeah}
I love the way we move
I love the way we groove
I love the way we do those things
Baby
I got your back (Don't worry)
Don't worry about the slack (Oh, no)
No one's gonna hurt my queen
'Cause you're my Boo
Uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there (Mmm, love the ay you love
me, babe)
Uh-uh, do it right there
Uh-uh, do it right there
Uh-uh, do it right there (My lady)
Uh-uh, do it right there (You're the bomb)
Uh-uh, do it right there (And you're special)
Uh-uh, do it right there
