sugar pie.. could i tell you what's on my mind (ohh
yess)

i miss the way.. we use to walk and talk
and hold.. hold hands.. my baby..
they say in time.. it'll all work out
but girl.. i'm so afraid..
the thought of losing you this time

there'll never be a love
there'll never be a love
there'll never be a love.. ever like mine
like.. like mine..
girl.. there'll never be..
there'll never be a love
there'll never be a love
there'll never be a love.. ever like mine
like.. like mine..
truely girl

they say a man ain't suppose to cry
but.. who likes.. who loves my baby
i give my all to you.. and all my loving only to you babe..
baby.. whoaa..

there'll never be a love
there'll never be a love
there'll never be a love.. ever like mine
ohh.. don't ya know

there'll never be a love
there'll never be a love
there'll never be a love.. ever like mine
cause i'm soo.. i'm soo into you

there'll never be a love
there'll never be a love
there'll never be a love.. ever like mine
all i wanna do girl.. is spend my life with you
and only you

there'll never be a love
there'll never be a love

there'll never be a love.. ever like mine
no there'll never be.. whoaa.. a love like mine
