"To Die Among Strangers"

Old enough to know better, too young to care
Bent of self destruction no one aware
If I had a reason I could make it work for me
If I had an answer I wouldn't be so hard to see
Feelin' all just the same
Feelin' all like a pain
No I'm not down the drain
Make my own decisions just to go away
Take the consequences just not today
Got enough reasons still not workin' for me
Got all the answers still so hard to see
Somethin' is confusin' me
Somethin' is abusin' me
Somethin' is refusin' me, life
Let me live
(I'm gonna fight for)
I wanna give
(I feel to cry for)
I've been through hell and back so many times before
Take me there
(I've given a life for)
I don't care where
(Give me tight for)
And show me why there's nothin' to die for too
Old enough to know better too dead to change
Went in with a full deck goin' out deranged
I had all the reasons tried, it didn't work for me
I had all the answers I was too blind to see
Mirror man in my eye
Mirror man gonna cry
Mirror man make you die
Let me live
(I'm gonna fight for)
I wanna give
(I feel to cry for)
I've been through hell and back so many times before
Take me there
(I'm in a trap for)
I don't care where
(I'm in a tight war)
And show me why there's nothin' to die for too
