I'd give anything for love
just to be with you
and girl I swear I'll never change
the way you are
(Cause) I will be there
I will be there for you forever more
wanna share my life
It's only right that you'll be mine
(cause) You are my angel from above girl
angel from above
and you make the world go round with love girl
you are my angel from above
do do do
And every time I close my eyes
I thank the lord that I've got you
girl I swear I'll never change
you're my dream come true
(cause) I will be there
I will be there for you forever more
wanna share my life
it's only right that you'll be mine
(cause) You are my angel from above girl
angel from above
and you make the world go round with love girl
you are my angel from above
do do do
