Sung

And i was like baby, baby
R to the O he M - E - O

You know you love me
I know you care
'Cause you my baby and there's love i gotta share
Are we a item maybe,
But you'll always be my baby
And i know you drive these little boys crazy, Help me
I'm drowning and i can't breathe
You broke my heart, but i wont' leave

Yeah i'm lookin' for my baby, baby
You was my first love matter of fact my first crush
And if i was a squirrel then you would be my first...

And i was like baby, baby, baby ohh
Like baby, baby, baby, noo
Like baby, baby, baby ohh
Thought you'd always be mine, mine
Baby, baby, baby ohh
Like baby, baby, baby, noo
Like baby, baby, baby ohh

Spokern

Hey jb this what i told her

And oh for you
For you i would've done whatever
I just can't believe we ai't together, forever
If you was mother nature
I'd be the weather
I'd buy you in the rain
I'll make your leather wetter
I'd make it rain
I'd pick up the sky for you

It's goin' down, down
That i would die for you
I'd tell you one time, that im a college boy
That red thing behind my chest
Girl, is not a toy

Baby, baby, baby ohh (Its not a toy)
Like baby, baby, baby, noo
Like baby, baby, baby ohh (I'm like baby, baby)
Thought you'd always be mine mine (I'm like, i'm like)
