Every day I used to feel the pain  
And every day I used to wait in vain, again and again  
And every day I used to long for tomorrow  
'Till your love took away my sorrow

I used to wish upon a star  
Just to find out where you are  
Sweetness opened up my heart

Don't you know that I'm flying  
I'm flying  
Don't you know that I'm flying  
I fly on wings of desire  
Set my heart on fire  
You know I'm flying  
You know I'm flying

Every day I used to wonder why  
And every day I used to  
Wait, hope, pray and cry  
And every day used to be so cold  
From now on I've got you to hold

Used to wish upon a star  
Just to find out where you are  
Sweetness opened up my heart

Don't you know that I'm flying  
Way above the clouds  
I'm flying  
Show me what love's all about  
Don't you know that I'm flying  
Shout it out loud  
I fly on wings of desire  
Set my heart on fire  
You know I'm flying  
Feel so good  
You know I'm flying  
Shout it out loud

Feel so good (3x), yeah

Feel so good (3x), yeah... oohooh  
Feel so good (3x), yeah  
Feel so good (3x), yeah... oohooh

Used to wish upon a star  
Just to find out where you are  
Sweetness opened up my heart

Don't you know that I'm flying  
Way above the clouds  
I'm flying  
Don't you know that I'm flying  
Show me what love's all about  
I fly on wings of desire  
Set my heart on fire  
You know I'm flying  
You know I'm flying  
So much love, so much love baby  
(You know I'm flying)  
And it feels so good, yeah yeah yeah  
(You know I'm flying)  
You and me, you and me (I'm flying)  
(Baby)
