I've been trippin'
On your dirty lies
You've been takin'
Much more than my pride
You just have to
Give some more respect
So why don't you
Get off of my back
(I gotta make U wanna see)
The games you play with me
(I gotta make U wanna do) oh oh oh
(I gotta make U wanna feel,
so here's the deal)
My heart is on the line
This is what I gotta say
Girl your game is over
(Got to be, got to be)
You can't win girl
I told ya
(Got to be, got to be)
Shame on you it's over
(Got to be)
I gotta be movin' on
I gotta be movin' on
Sad and lonely
Is what you're gonna be

Sittin' in the back of the club
I've gonna let you know what's up

Without your phone number
Wonder how to get you under my spell

(I gotta make U wanna do) oh oh oh
(I gotta make you wanna feel, so here's the deal)
Baby play this game my way

Or this is what I gotta say
Girl your game is over
(Got to be, got to be)
You can't win girl
I told ya
(Got to be, got to be)
Shame on you it's over
(Got to be)
I gotta be movin' on
I gotta be movin' on
I've been watching you
Sittin' in the back of the club
I've been watching you
I gotta let you know what's up
If I don't make my move
Then you will be going, gone
All you gotta say is:
"I'll be wi
