Before you speak, don't tell me
Another one of your lies
I already know, 'cause I heard you
On the phone with him last night
Don't even cry, don't shed a tear
'Cause you brought this on yourself
There ain't nothing, that you can say
That can bring me back your way
And I don't wanna talk about it
I'm not tryin' to hear what you say
I don't wanna see your face no more
And I don't wanna talk about it
'Cause girl I'm just too through with you
I don't wanna hear you speak my name no more
The best thing, that you an do
Is to get your things right now
Don't call me, if you need me
Just assume that I am out
Not sayin', I hate you
But it's gotta be this way
You made your bed,
And now you know
There is where you lay
The biggest mistake I made
Was putting my trust in you
And I don't wanna talk about it
I'm not tryin' to hear what you say
I don't wanna see your face no more
And I don't wanna talk about it
'Cause girl I'm just too through with you
I don't wanna hear you speak my name no more
And I don't wanna talk about it
I'm not tryin' to hear what you say
I don't wanna see your face no more
And I don't wanna talk about it
'Cause girl I'm just too through with you
I don't wanna hear you speak my name no more
And I don't wanna talk about it
I'm not tryin' to hear what you say
I don't wanna see your face no more
And I don't wanna talk about it
'Cause girl I'm just too through with you

I don't wanna hear you speak my name no more
Baby I'm through
There is nothing left for me
