**(feat. Blakk, Gangsta, T-Bo)**

*[Romeo: talking]*

Ay Chip you a fool for this one man

*[Hook: Gangsta, (T-Bo)]*

I need a Stallione

I need a Stallione

I need a Country fide Chick who keep her hair done  
(Now I'd don't wanna have to walk up and dance all  
round

Then I leave you with that look like I ain't wanna be  
down)

Now come closer

Come closer

If your looking real right I might approach yea

(Now I'd don't wanna have to walk up and dance all  
round

Then I leave you with that look like I ain't wanna be  
down)

*[Verse 1: Romeo]*

You got your hair done yup

And you nails too

I see your sister looking she can get it too

What you doing later

I'm something like a player

Whatever in them jeans

Rising like an elevator

White Tee, black fitted

Yea I'm real hood

Hips like Trina

Lips like Megan Good

Hey you a school girl

Well its cool to me

I think I'm sprung shorty come and meet the family

Just relax shorty this ain't the after party

But we can take it to the crib if your getting naughty

I'm on the floor now

She grinding slow now

Forget first base I'm about to catch a touchdown

*[Hook: Gangsta, (T-Bo)]*

*[Verse 2: Gangsta]*

I pull up, I pull up my blue Jeni  
I'm liking a girl that shake the thang  
Up in bokini  
She was a boqueeny  
I'm trying to holla at her  
I mean it  
Holy mama yea fine yea no  
Wanna see yea back it up and jiggalate on the floor

Now hop up in the circle and bounce that thing  
You can serve it, yo can flip it, jiggalate on the thing  
You can tweark that thing  
You can shake that thing  
You a big fine woman then take that thing  
Now wobble out  
Now catch the cash  
Now shake it fast  
Bounce out

*[Hook: Gangsta, (T-Bo)]*

*[Verse 3: T-Bo]*

Catch me in the club jiggilating to the beat  
Red monkeys on I disagree  
Painted apes on my feet  
Trying to find me a chick wit a face like Christina  
and butt like Buffy but a freak like Adiana  
I think I seen her  
Boy black you know what I'm into  
I don't need a dime  
I'll take a 9 with potential  
Gutta boy and I'm so fresh  
Stay riding on the stallione  
Like the wild wild west  
Yes, go on let me see yea work it quick  
Girl I'm wit my click  
I don't care about the jerk you wit  
Young Rome getting grown  
So its on me  
Another telephone to keep up with all these Stalliones

*[Hook: Gangsta, (T-Bo)]*

*[Verse 4: Blakk]*

See Blakk on the track making history  
Ex specially when Rome told Chip to make the beat  
Its a Gutta music thing  
I'm so nasty

Plus she look like a biscuit when you walk past me  
Why don't you try over here  
Ma your to far off  
I'm on a mission trying to get your drawers off  
Lets just say she like me  
When she see ridden big  
She gonna love me in the morning  
If she fall for this jig

*[Hook: Gangsta, (T-Bo)]*
