If you want a man to spoil you
If you want a man to treat you like a queen
need somebody just to hold on
I'll do anything

I'll run the bath-water for you
wash your hair and gently rub your feet
all you have to do is let me
and I'll do anything

You say you're tired of the wrong kinda man
the kind that say they do but never understand
what it takes to make a woman feel good
give me one chance I promise I could

I write your name across the sky for you
to tell the world that I'll always be true
and there's no limit let me show you
there ain't nothing I won't do for you

If you want a man to spoil you
If you want a man to treat you like a queen
need somebody just to hold on
I'll do anything

I'll bring you breakfast in bed every day
take you shopping to your favorite place
Help you find a pretty little dress
put the charge on my American Express
let's go to dinner talk about me and you
drop the top hit the coast for a cruise
and after twelve I can show you
There ain't nothing I won't do for you

The love I feel for you is for a lifetime
just say that you will be with me
for the rest of my life

If you want a man to spoil you
If you want a man to treat you like a queen
need somebody just to hold on

I'll do anything
