*[Verse:]*

Nobody get money quite like I can  
Couple shows couple million like the bank in my hand  
Couple cars couple women boy you cant understand  
How kid could be such a grown man  
And Im a winner baby I cant lose  
And the winner is platinum P. Miller shoes  
In the summer is a CL5, Im so alive  
Eyes wide open when them dos start to rise  
Im on another level iced link chain  
Im sprung like T-Pain  
When they lookin at the puzzle mo press then Fort Knox  
Either you wit it boy cause we wont stop  
I got the whole streets backin me, whole club jumpin to  
it  
Richie Rich Imma move it right before its Guttar Music  
So hard to stand when Im comin trough yo hood  
I keep em around like Im up to no good

*[Hook: x2]*

Im the baddest alive you can see my clothes  
You can see my cars you can see my chain  
Im the baddest alive how I get that dough

How I rock them shows how I do my thing

*[Verse: girls]*

Im the king of the thrown yo kid killin the game  
Well I take off my shirt your girl screamin my name  
They say (I love Richie Rich) I say I love em the same  
Keep the love like a pimp you see the ice on my chain  
They say Im doin my thang and I know Im doin my  
thang  
All the way to the bank boy gettin the change  
No stoppin me Im the hot combatable LeBron James of  
the game  
First P. Miller to ride the street  
Now who the baddest alive its no evident  
No other then I keep the hood president  
No one better then cold Im a veteran  
Leavin tha game with the flu and no medicine  
Been raised by the number one hustler

I've been gettin it every since my days as a youngster  
So dont rep the clues just cause your confused  
Look whose winning the rap game you gon lose

*[Hook]*
