Heart in hand  
All I ever wanted was someone who'd understand  
But love is hard to share  
When you're reaching out your arms and no one's  
there  
Oh I've spent too many nights all alone  
Never thought I'd find the kind of love  
That I could call my own  
To have and to hold  
Suddenly I feel so much lighter  
Like I'm walking on the moon  
And all the stars shine brighter  
When I'm with you... 'Cause  
You make me feel  
Like someone in love... (Someone in love)  
Someone who loves somebody like you  
And girl if you feel  
Like someone in love... (Someone in love)  
Then tell me now if you can be  
Someone who loves somebody... like me  
Maybe I was blind but now I see  
Something's takin' over when you're close to me  
And now, baby now I'm sure  
You're the kind of girl that I've been waiting for  
Funny sometimes you just can't see it  
When it's right in front of you  
But wide awake or dreaming  
Now all I see is you  
You make me feel  
Like someone in love... (Someone in love)  
Someone who loves somebody like you  
And girl if you feel  
Like someone in love... (Someone in love)  
Then tell me now if you can be  
Someone who loves somebody... like me  
Oh how you make me feel inside  
I swear I never felt like this before  
I can't eat, I can't sleep  
I can't wait another day  
When all that I've been dreaming of  
Is just a kiss away
