oh oh oh oh ohhhh

Verse 1

it seems like you wanna be alone when you dont
answer your phone..
you got me sitting here thinking bout it, about it like i
should know..
now my mind is all frustrated becoz i dont know what
you want
baby girl im tryna come see it, but you wont let me
come see whats wrong,

Chorus

hey the system is breaking down
oh girl you gotta tell me right now
i just wanna care for you
im just tryna be there for you
i need to be there
need to be there
to show you i care (oh yea)
you cant be tryna hold things back from me(yea, need
to be there)
i need to be there
need to be there
i need to be therreeeee (oh yea)
where you are is where i need to be
yea, i need to be there

Verse 2

i cant take the fact that you were home alone
girl my pride has got me really goin
straight crazy coz you wont let me be the one to ease
watevers on you heart
[Need 2 Be There Lyrics on]

Chorus

baby the system is breakin down
oh girl you gotta tell me right now
i just wanna care for you
im just tryna be there for you
i need to be there
need to be there

girl how could you try to breathe without me
this is unusual, its hard for me to try to sleep
you know i just cant be, cant be away
i need to be there
i need to be there
to show you i care (mmm oh yea)
you cant be tryna hold things back from me (yea, i
need to be there)
i need to be there
i need to be there
i need to be thereeee (oh yea)
where you are is where i need to be (yea, i need to be
there)

Oh ohh oh oh ohhhh
ohh you are a part of me

Bridge
will you just open up girl and let me iinnnn
im tryna be there for you
im not gonna leave you alone
girl you know this aint right
this aint right

Chorus
i need to be there
i need to be there
to show you i care (oh yeaaa)
you cant be tryna hold things back from me
(oh yea, i need to be there)
i need to be there
i need to be there
i need to be there (oh yea)
where you are is where i need to be (yea, i need to be
there)

yea i need to be there x2
