Romeo save me  
You're the best, you're the best girl  
Romeo save me  
Juliet, you're the best girl  
Romeo save me  
(Aha) Checkmate  
Romeo save me  
The next generation

And I said  
Romeo take me  
Somewhere we can be alone  
I'll be waiting  
All there's left to do is run  
You'll be the prince  
And I'll be the princess (I gotchu Taylor baby)  
It's a love story (lets get 'em), baby just say 'yes'

Uh  
I told her life would never be the same (be the same)  
If you're in danger baby scream my name (scream my name)  
A lot been changed since I've been given fame (yeah)  
No more holdin' hands, kissin' in the rain (no, no)  
They say all is created equal  
If we're a movie then I'm hoping there will be a sequel  
They say parents just don't understand  
But I'm your Superman, your Iron Man

In my head you'll always be the best  
Lookin' in this mirror like, Who the hell's THIS?  
I'm on my white horse racin' to my princess  
And this a love story, baby just say 'yes'

Romeo save me (yes)  
You're the best, you're the best girl  
Romeo save me  
Romeo save me  
Romeo save me

And I said

Romeo take me  
Somewhere we can be alone (yeah)  
I'll be waiting  
All there's left to do is run  
You'll be the prince  
And I'll be the princess  
It's a love story, baby just say yes  
Romeo save me, they try to tell me how to feel  
This love is difficult, but it's real  
Don't be afraid, we'll make it out of this mess  
It's a love story, baby just say 'yes'

I'm your Romeo  
You was my scarlet letter (yeah)  
I'm the best at what I do, but you made me better  
And I guess that I made you wetter  
Our theme song, Rihanna's 'Um-brella'  
(Aha) We were young when we first met  
Throwin' pebbles on your balcony I never slept (no!)  
Mm, you're daddy told me to stay away  
You's a Cali's girl, who the hell he think pays?  
Juliet tell me somewhere we can be alone  
We could run away, somewhere far from home  
I'd be the prince, you'd be my princess  
This is a love story, baby just sayyy-

Romeo ('yes') save me  
Yes, you the best girl  
Romeo save me  
You the best, you the best girl  
Romeo save me  
You the best, you the best girl  
Romeo save me  
Juliet you're the best, you're the best girl

And I said  
Romeo save me, I've been feelin' so (yeah) alone  
You're the best, you're the best girl  
I keep waiting (Juliet, you're the best best) for you but  
you never come  
Juliet, you're the best best  
Romeo save me (Juliet, you're the best best), I've been  
feelin' so alone  
You're the best, you're the best girl  
I keep waiting (Juliet, you're the best best) for you but  
you never come

Taylor Swift, you're the best girl
