(feat. JoJo)

[Intro: Romeo]

Its another R.O.

[Hook x2: Jojo]

Play another slow jam
This time make it sweet
On a slow jam for my baby
And for me

[Verse: Romeo]

Imma set the mood right yea you know I got it bad
Turn out the lights turn on that Betty Pinagrass
I'm kissing and touchin been missin ya lovin
Im here to discover everything we been discussin
You know I keep my ladies straight
A bubble bath then I light up a candle and turn on sum
Baby Face
I wanna know like Joe how everything go
I play that R. Kelly keep it on the down low
Never mind all that talk you had wit your friends
This isn't the end of the world girl that boys the man
Dont worry about a thing you know Im gon play it right
We can take our time and listen to Brian McKnight
I'll smooth it out see no tellin whats next
I got you twisted like you listenin to Keith Sweat
And I see us walkin hand-in-hand
Let me be your man and listen to slow jams

[Hook x2: Jojo]

[Verse: Romeo]

I been chasing this paper you know I had that hardest
day
So I say lets get it one like Marvin Gay
Aint no need to procrastinate for this satisfaction
Cause you get it any time like Janet Jackson
We gone be forever girl I give you what you dream
Lets stay together and grind tell smilin
I hear your in desperate need for what Im packin

So I hope you breath again girl like Tony Praxton
And you know the way Im feelin is plain to see
Lets take a private plan listen to Tina Marie
Steppin of the jet, be flyin coast to coast
You can be my super star like Luther Van Trost
Its some joy and pain we havin our days
But I never let you down like Frankie Beverly and Mace
And I see us walkin hand-in-hand
Let me be your man and listen to slow jams

[Hook x2: Jojo]

[Verse: Jojo]

See I was all alone I was feelin rather low I needed
someone to
Get my spare time so I called you on the phone
To see if you were home but thats when you said
You where on your way you were finin for me

[Hook x2: Jojo]
