When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

In 10 years, I can't believe, man, I'll be 20

Own a couple cars and [Incomprehensible], livin' good

Kinda [Incomprehensible] with my homies, we been in this since

We kids, people sayin' that's Little P holdin' on this biz

I remember hangin' on the block with the boys

Goin' to the dollar movies, me and V played dodge the ball

We had fun even though times was hard

I mean me and Lance played Dreamcast

I can't believe my lil' whodie lost his life in a car crash

One day you here then you gone, ya heard me?

When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on the hill

But for now, sit back and be a kid and keep it real

Granpa say you got game then you gotta have a plan
I thank moms and pops for raisin' me, man
I see kids get shot, some go to jail
And when you die, lil' whodie, is it heaven or hell?

I wanna be like Mike, I mean ball and make money
Keep it real with my peeps and never act funny
I see kids on drugs go to school and commit crimes
We used to fight, lil' whodie but now it's stakes and
knives

Stay in school, get a job, education, it goes far
Man, there's gotta be more to life than just jewelery
and cars

When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real
When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real
When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real
When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real
When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real
When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real

When I get grown, I'm gonna cherish that big house on
the hill
But for now, sit back and be a kid and keep it real
