baby you are my weakness  
i do anything for you  
and i don't know why we can't do this  
i just wish it wasn't true

but i keep hearing these things people say  
where you've been and with whom  
got me on my knees, i'm asking you please  
this time, tell me the truth

(ref)is it gonna be him?  
is it gonna be me?  
make up your mind what's it gonna be?  
is it gonna be him?  
is it gonna be me?  
tell me the truth or just let me be...  
just let me be...

tell me what you've been missing  
that he's given to you  
what kind of things is he doing  
that i just can't do

don't make this harder than it is  
just tell me what to expect  
we've traveled a long way together  
show me some respect

(ref)is it gonna be...
