Jalwanuma

Teri saadgi

Teri dilkashi

Teri baat aaye na

Aisa kabhi hota nahi

Teri yaad aaye na

Teri yaadon mein hoon khoya

Kayi raaton se na soya

Raha tanha hansa roya

Jalwanuma tu har jagah

Tu har kahin hai jaana

Tere bina jeena mera

Mumkin nahi hai jaana

Mere khyaalon mein tu

Dil ke sawalon mein tu

Armaan hai mujh mein bus tera

Shab ke andheron mein tu

Din ke ujaalon mein tu

Har lamha tujhse hai juda

Jab shaam dhale

Har saans jale

Na zor chale mera

Jalwanuma tu har jagah

Tu har kahin hai jaana

Tere bina jeena mera

Mumkin nahi hai jaana

Khwaabon ki baarish mein tu

Jeene ki khwaashish mein tu

Behte lahu mein tu rawaan

Fitrat iraadon ki tu
Hasrat hai raaton ki tu
Subah ki tu hi iltaja

You are the nature of my decisions
You are the desire of nights
You are the request of the morning

Hai dil ki sadaa
Ab door na ja
Tu chainon sukoon mera
Jalwanuma tu har jagah
Tu har kahin hai jaana
Tere bina jeena mera
Mumkin nahi hai jaana

Jalwanuma tu har jagah
Tu har kahin hai jaana
Tere bina jeena mera
Mumkin nahi hai jaana
