Derazadan boqar sohibjamol oy,  
Nigohlari to'la karashma, chiroy,  
Kechirgin, bo'libman oyga mahliyo,  
Ishon, endi unga qilmayman parvo.

Oyning sochlarini o'rmayman,  
Mayli, oyning sochlarini o'rmayman,  
Men seni oylarga, men seni oylarga,  
Men seni oylarga bermayman!

Suluv kelinchakdek bezarmish bahor,  
Dalalar ham gulzor, bog'lar ham gulzor,  
Gullarga boqqandim kulib, ochilib,  
Yoshlaring ketdilar nurday sochilib.

Bahor gullarini termayman,  
Mayli, bahor gullarini termayman,  
Men seni gullarga, men seni gullarga,  
Men seni gullarga bermayman!

Qancha shirin damlar kechmog'i mumkin,  
Faqat sen avaylagin, ko'rmagin kulgim,  
Sen mening taqdirim, oxir-azalim,  
Sen mening bahorim, oyim, g'azalim.

Qalbimsan, men qalbsiz yurmayman,  
Qalbimsan, men qalbsiz zinhor yurmayman,  
Qalximni hech kimga, qalximni hech kimga,  
Qalximni hech kimga bermayman!

Men seni oylarga, men seni gullarga,  
Men seni hech kimga bermayman!
