No matter what I do  
I'm player Number Two  
But Peach, if I rescue you  
You'd never be captured again

We could play golf  
Or race our karts  
I'd take a red shell to the heart  
But Peach, are we just friends?

We could float down down down  
With your umbrella  
And in your castle each night, I'd tell ya

Dear Peach, wherever you go  
I won't let you be in a world alone  
Dear Peach, what will it take  
For you to stop repeating past mistakes

Dear Peach, in my dreams  
I hold you close to me  
Love Luigi  
Love Luigi

I only need 8 bits to know this is it  
In a perfect world we'd never split  
Oh Peach, I have no doubts

I'd never leave to do some shrooms  
I'd find a gold star just for you  
So no one can hurt you now

We could float down down down  
With your umbrella  
And in your castle each night, I'd tell ya

Dear Peach, wherever you go

I won't let you be in a world alone  
Dear Peach, what will it take  
For you to stop repeating past mistakes

Dear Peach, in my dreams  
I hold you close to me  
Love Luigi  
Love Luigi
