you had your reason
and i had mine
i guess we weren't ready
we had to give it time

so many wounds to heal
so many rivers to cross
but i was confident
one day everything would come to us

(ref) bitter love
it's never too late
now i know it was well
worth the wait
for real love
it's never too late
now i know it was well
worth the wait

what can i say now
you opened up my eyes
no words can explain
this feeling in side

so i'm dedicating this song
to you my dear
i pray to the lord above
that you always be here

(ref) bitter love...
