Writing songs about you  
All those nights without you  
Just a sad sad story of a boy and a girl  
Who came from the same little rock and roll world  
So let me ask you one more question  
What ever happened to us crushin'?  
And i remember catching fireflies with you

What happened to our fireworks tonight  
What happened to love at first sight

I'll sing my best for you tonight (sing my best)  
Maybe not tomorrow or any other night  
I'll be a friend and nothing more (be a friend)  
Isn't that what you wanted  
What you're asking for?

You said you had me at hello  
I said you had me at goodbye  
And i remember late nights with you online  
This boy and girl yeah they were in love  
He was all she ever dreamed of  
But he just passed her by  
And went on with his life

What happened to our fireworks tonight  
What happened to love at first sight

I'll sing my best for you tonight (sing my best)  
Maybe not tomorrow or any other night  
I'll be a friend and nothing more (be a friend)  
Isn't that what you wanted  
What you're asking for?

And i know we'll be  
Best friends for life  
And i know we'll see  
The mistakes we made that night  
And i know the way we care,  
The way we share  
Is true...

Oh why did i fall for you?

I'll sing my best for you tonight (sing my best)

Maybe not tomorrow or any other night

I'll be a friend and nothing more (be a friend)

Isn't that what you wanted

What you're asking for?

(sing my best)

(asking for)
