It's fuck you girl and bye

It's fuck you girl and bye

I ain't gon gon miss you

I ain't gon gon miss you girl

I ain't gon gon miss you

I ain't gon gon miss you girl

I ain't gon gon miss you

I ain't gon gon miss you girl

I ain't gon gon miss you

I ain't gon gon miss you girl

(Verse)

Right now.. she tryin to fuck my night up

But right now.. I'm watching bottles light up

And right now.. shawty right here twerking

Shawty right here twerking

About to fuck her on purpose

She know I'm that nigga,

Blame it on the liquor

Somebody taking pictures

I'm throwin money at these strippers

I ain't gon' front, that pussy was good

And I'm real in it like a real nigga would

That head was the bomb, her head was the bomb
I'm through with this shit I mean we can't get along
Now girl, drop it like you wanna fuck tonight

(Hook)

It's fuck you girl and bye

It's fuck you girl and bye

I ain't gon gon miss you

I ain't gon gon miss you girl

I ain't gon gon miss you

I ain't gon gon miss you girl

I ain't gon gon miss you

I ain't gon gon miss you girl

I ain't gon gon miss you

I ain't gon gon miss you girl

(Verse)

Don't ask me who I'm fucking
Don't ask me about my new bitch
Don't ask about my new mommy
Don't ask about my new wear
Ye bitch I ghost ride
Might see me in the ghost ride
If I tell you bye
That mean for you to get ghost by
Throw my pitches away
Throw my pitches away
Don't call me don't email me
Don't try and fuck my day
I'm going out, yup I'm going out
I'm bringing stacks out and I'ma show out

Her head was the bomb, her head was the bomb
I'm through with this shit I mean we can't get along
Now girl, drop it like you wanna fuck tonight

(Hook)

It's fuck you girl and bye
It's fuck you girl and bye
I ain't gon gon miss you
I ain't gon gon miss you girl
I ain't gon gon miss you
I ain't gon gon miss you girl
I ain't gon gon miss you
I ain't gon gon miss you girl
I ain't gon gon miss you
I ain't gon gon miss you girl
