Satana

You need a guy that is simply grinding  
You need a guy that is simply shining  
A guy like I, a G Like Me  
Not a cat like that, he's simple minded  
How is he gonna hit that spot, when he don't even know  
begin how to find it.  
Me? I simply find it  
Tick-tock like a clock, I continue to wind it.

Chorus:

Just a simple man  
Need a simple girl  
I don't need no confusion in my world  
Just a simple man  
Need a simple Girl  
I don't need no confusion in my world

Oh, im a simple girl  
I need a simple man  
Aint gotta put no extra on it  
I'm on that simple plan

Just a simple girl  
I need a simple man  
Aint gotta put no extra on it  
I'm on that simple plan

Ron Browz

need a simple girl with a cute little face that "likes to  
take order?"  
Got a gorgeous smile amd she got her own style, I can  
tell that I want it.
