Get 'em all the molly that's the antidote
I was on the block crack antidote
At the party bottles chicks and the smoke
Chicks that you ain't shit nigga and he broke
Niggas say hussle then we hussle more
Keep a long nose whats the tussle for
A indian nigga 'cause I took her for

Better talk right, better talk cash
Now I fuck bitches their head come down to ass
Nigga do the math, lil nigga do the math
Hundred million man, let me introduce you to my staff
She said you want head you better talk right
I'm a real nigga but my money talk polite
My money talk polite, my money talk polite
And for the right numbers she swallow on sight

Been broke all your life , nick namers can't get it right
See watch that pussy insight

See alot of y'all screaming at ballin
And wonder why shawty ain't calling

Look around and see 20 dollars falling

Ya better talk my language if we talk about a deal

About that bread about that fucking bread

Talking crazy nigga show you how that heat work
Walking in my shoes will make your motherfucking feet
