(Hook)

I know you want to fucking dance
I know you want to fucking dance
I know you want to fucking dance girl

I know you want to fucking dance
I know you want to fucking dance
I know you want to fucking dance girl

'Cause you ain't shy
You ain't shy
Show me you ain't shy
Girl you ain't shy

(Verse)

Bitch I'm drunk as fuck
Saying anything
Say that we'll get married
Saying I'ma get you a ring
But that don't mean I mean it
That just mean I'm thankful
This a fucking new year
And I'm just glad I made it
I mean your ass so big
It got its own mind
I hit it once now my relationship is on line
And if I say that pussy wack then you know a nigga
lying
'Cause I be in it like every night
So fuck boys stop trying
She in the club she throwin it back like bump bump
bump
Then I take her home and I bend her over
Like bump bump bump
We do the same shit we was doing in the club
She told her man she was with her friends
I'm like naah aah ah

Rollies in the air, one time for Biggie
Bottles in your hand if you that nigga in your city
I do it again so ugly but my bitches look so pretty

If you're a real nigga getting money then come fuck
with me

(Hook)

I know you want to fucking dance
I know you want to fucking dance
I know you want to fucking dance girl
I know you want to fucking dance
I know you want to fucking dance
I know you want to fucking dance girl

'Cause you ain't shy
You ain't shy
Show me you ain't shy
Girl you ain't shy

(Verse)

See I need you on me right now

She can dance like a stripper
She can even dance jamaican
The way she killed them shoes
She almost called a case in
The way that body looking
I just mind pussing my passing
Now we in here sweating
Sweating like we on molly
All this gold on my neck
I'm slick rick loddy doddy
All this rozay got me feeling like I'm a zombie
All this rozay got me feeling like I'm a zombie
50's and them hunned
50's and them hunned
Bend it stretch it, bend it stretch it
Girl act like you want it
50's and them hunned
Bend it stretch it, bend it stretch it
Girl act like you want it

Rollies in the air, one time for Biggie
Bottles in your hand if you that nigga in your city
I do it again so ugly but my bitches look so pretty
If you're a real nigga getting money then come fuck
with me

(Hook)
