"Friend Or Foe"

Visit "[Friend Or Foe](#)" on MotoLyrics.com

when u ask to me, "did u wanna diggin a gold?"
and i said "yeah ive much time, cos i believe and i
would.."
dont waste our time, make it different coz i know u
background
come on play outside of the box, gettin rough rockin
underground

how are u fella? are u fellin fun?
just enjoy the game ill be here with u lets makin hits
how are u fella? are u fellin fine?
just listen to me there is no rules come on get it up

they are know us we are bomb bout this game
we are the number one, fuckin one..
yeah we got a name we had pride,
but u wanted more, more and more
so i saw u chattin shit with them
who we call 'em enemy..
bring my design to them - then u got ur own name
born new fuckin life above my fuckin dreams

how are u fella? are u fellin fun?
now u play in the other side lyin on my back wanna get
me out
how are u fella? are u fellin fine?
dont crossed the line just carry on and watch ur step

yo buddy.. what would u do with that?
uve stole it and u sold it, but u neva become a lad..
ur clown on this game whos burried urself
alright if u wanted i give u more..

i had warning and i wont stoped it
before white flag flya..

and i said

how are u fella? are u fellin fun?
just enjoy the game ill be here with u lets makin hits
how are u fella? are u fellin fine?

just listen to me there is no rules come on get it up
how are u fella? are u fellin fun?
now u play in the other side lyin on my back wanna get
my out
how are u fella? are u fellin fine?
dont crossed the line just carry on and watch ur step
