"It's not a dream and it's not your imagination."

I'm lying in my bedroom restless at nights  
And feeling someone's lying next to my side  
I hear a heavy breathing - someone's next to me  
And watching me

Sweet dreams now come to me  
Your flesh is weak

I sense and know it's presence yet I'm asleep  
Someone is preying upon my sleeping mind  
Whispering  
Calling, desiring  
And squeezing with all its might  
It's trying to take over and choke me

A nightmare seizes in a freezing grip  
I feel cold fingers running taking a grip  
This spirit lurking in my sleep  
And giving in I'll sleep forever more

Sweet dreams now come to me  
Your flesh is weak

I sense and know it's presence yet I'm asleep  
Someone is preying upon my sleeping mind  
Whispering  
Calling, desiring  
And squeezing with all its might  
It's trying to take over and choke me

"The flesh is weak  
Walk in the spirit  
And ye shall not fulfill  
The lust of the flesh"

I sense and know it's presence yet I'm asleep  
Someone is preying upon my sleeping mind  
Whispering  
Calling, desiring  
And squeezing with all its might

It's trying to take over and choke me
