When one must overcome
And one must fight for light and some
Came across the power of the sea
Or the blowing of the North-wing.
Then were the times ahead
For men in victory or death
Still bravery of them is told in Saga!

These stories are about the
Honour of the brave men
Stories about ancient feuds,
Tales of worthy men.

Heroic deeds are part of
History, then man's worth was
Determined by glory in battle - in arms and war.

When one must overcome
And one must fight for light and some
Came across the power of the sea
Or the blowing of the North-wing.
Then were the times ahead
For men in victory or death
Still bravery of them is told in Saga!

Noble men the Sunborn sons
They fought for their fatherland
Next to their kings and their gods
For their dignity.

These stories - the Sunborn Sagas - seal the bravery
Of young valiant warriors
Riding to glory.

When one must overcome
And one must fight for light and some
Came across the power of the sea
Or the blowing of the North-wing.
Then were the times ahead
For men in victory or death
Still bravery of them is told in Saga!
