Have I ever told you, how good it feels to hold you  
It isn't easy to explain  
And though I'm really trying, I think I may start crying  
My heart can't wait another day  
When you kiss me I've just got to say

Baby I love you  
(Come on baby)  
Baby I love you  
(Oh-ee baby)  
Baby I love only you  
(Baby I love only you)

I can't live without you, I love everything about you  
I can't help it if I feel this way  
Oh, I'm so glad I found you, I want my arms around you  
I love to hear you call my name  
Oh, tell me that you feel the same

Baby I love you  
(Come on baby)  
Baby I love you  
(Oh-ee baby)  
Baby I love only you  
(Baby I love only you)

(Come on baby)  
Baby I love you  
(Come on baby)  
Baby I love you  
(Oh-ee baby)

Baby I love you  
(Come on baby)  
Baby I love you  
(Oh-ee baby)

Baby I love you  
Baby I love you  
Baby I love you  
Baby I love you
