There's been a lot of talk around  
That you've been seen with a certain party  
And now I'm so afraid I'm losing you oh baby  
Don't tell me you don't want my love  
I couldn't give it to just anybody  
Baby won't you tell me it's not true

Don't leave me baby  
Don't tell me it's over  
After I trusted you  
And did my best to make you happy

Is this what I get for loving you baby  
Is this what I get for loving you, baby  
There was a night when  
You held me tight and  
You said you'd always love me  
You said you'd never hurt me

What would there be left for me  
It's such a cruel world to be alone in  
I always needed you to look out for me oh baby  
I'm gonna miss your loving arms  
They're the only arms I feel at home in  
Don't you know how lonely I'm gonna be

Don't leave me baby  
Don't tell me it's over  
After I trusted you  
And did my best to make you happy

Is this what I get for loving you baby  
Is this what I get for loving you, baby  
There was a night when  
You held me tight and  
You said you'd always love me  
You said you'd never hurt me

Don't leave me baby

Is this what I get for loving you baby  
Is this what I get for loving you, baby

There was a night when  
You held me tight and  
You said you'd always love me  
You said you'd never hurt me
